PASSAGES

Words and Music by Carl Strommen

We may never pass this way again,
so now we'll say farewell.

And the sun may never shine
as brightly as today
and may we meet again.

So climb the highest mountain,
sail the distant shore
Go in peace to the place you know
until we meet again.

If in time our paths will cross once more
in a place so far away,
May our friendship still remain as true.
And as all things must complete its turn,
Now I bid you fond farewell.
May your journey bring you home again.
